

### Weekly Round Up

Another successful week thanks to your support and engagement. I think we are all becoming more confident with the remote learning offer - not to mention IT specialists!

We had a fantastic Islamic art celebration afternoon, thank you for taking part and showcasing your fantastic calligraphy talents.

Stars of the Week and Lockdown Legends will take place at 2pm on Monday...see you there!

Any questions or problems you encounter, please don't hesitate to ask any of the Year 6 team.

### Coming up.....

As part of our Superhero genre topic, the children will be studying some quality examples and practising our year 6 grammar and punctuation skills. Really enjoyed reading about some of the superhero and villain characters.

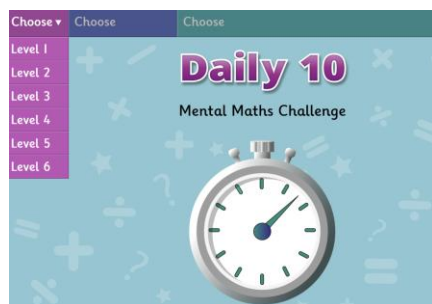

Look out for our science lessons, as over the next few weeks we are studying light and its properties including a mini investigation.

In maths, we are still in the world of fractions, decimals and percentages. We will look at how to calculate percentages of amounts (10%, 25%, 50% and more...).

We will also be devoting an afternoon to our mental health and well-being, keep an eye on dojo next week for details.

### Website of the Week:

#### [Daily 10 - Mental Maths Challenge - Topmarks](#)

This is a very handy website that can be used daily to practise all things arithmetic. You can set time limits and choose your own difficulty level.

### Hooked on books:

Our 'hooked on books' books are...

Revill

Miss Hill

	<p>We will keep you update weekly 😊</p> <p>Don't forget the '8 books in 8 weeks' challenge...</p>
