

Date: Friday 26th February 2021

Year Group: 6

Weekly Round Up

We hope you've all had a lovely and relaxing half term and it finally looks like the weather is turning...hopefully you found opportunities - and time - to explore outside with your family. I think the special mention this week goes to all our Year 6 pupils and families. You are all Stars and Lockdown Legends!

I know we can't wait to welcome all the children back into the classroom on the 8th March and restore some kind of 'normality' and structure - thank you for your ongoing support 😊.

This week we have been learning French phrases for weather, reflected on responsibilities for health and well-being in PSHE and started our history topic: The Islamic Golden Age.

We are currently studying text features for a balanced argument and have used formulas to calculate areas of 2d shapes!

Website of the Week:

[Baghdad c900 | TheSchoolRun](https://www.theschoolrun.com)

In our History topic, we are studying the Islamic Golden Age. This website has lots of user-friendly information, facts, events, pictures and more to support our learning...check it out!

Coming up.....

...in reading, it's World Book Week and we have a very exciting surprise in store from a local author!

...in English we are developing our own balanced arguments using Superheros to consider who's the best

...in maths we will be working on volume of 3d shapes by using the formula $L \times H \times D$

...in history we will be looking at ordering key events of the Islamic Golden Age

...in computing we are going to use 2code on Purple Mash to start programming

...on Thoughtful Thursday,

we will have a screen free afternoon at home and in school.

Any questions or problems you encounter, please don't hesitate to ask any of the Year 6 team.

Please make time for daily exercise - let's keep ourselves fit and healthy in both body and mind! 😊

Hooked on books:

Mr Revill is reading 'Mr Dog' by Ben Fogle. "Mr Dog and his rabbits have made it through the fence. Apart from the nasty cat - who's not safely locked away - things aren't what they seem. They are not hunting and destroying rabbits, they're trying to rehome them..."

Non Negotiables:

Join your class on Teams for registration if you are not at school.

Remember to upload/hand in work on Purple Mash or send to portfolios on dojo.

'Everybody, every day' - Reading with your child every day.

Practise times tables including the division facts on TTRockStars... Your practice is paying off!

PE kits for Wednesday.

Be safe and have a great weekend.

Miss Hill is reading 'Ice Monster' by David Williams. "The Ice Monster is getting even more exciting as Elsie meets a strange scientist who everybody thought was dead! He has managed to invent lightning in a bottle which may be able to bring animals back to life! I can't wait to read what happens next!"

Mrs Frost is reading 'The Explorer' by Katherine Rundell. "The Explorer in the lost city has been helping the children learn to set traps, cook meat and collect water. They are hoping to use their new-found skills on the long journey to the closest city and get back to their families. Will they make it?"
