This week, we have started to look at play scripts in preparation for writing our own based on the 'The Watertower'. So far, we have identified the features of a play script and compared them to narratives. We are very excited to continue our play script journey and start writing them soon!

Maths

In maths we have started algebra. Sounds scary but the children have been trying really hard and have found that it is not as tricky as its reputation may suggest! We have also been tackling some assessments. All the children should be proud of themselves for putting in so much effort!

How you can help at home:

Don't forget, to continue working on at least 3 activities from your Tic Tac Toe learning logs. Due on Monday 24th May.

Read, Read and Read! Help your child's class win the Great Reading Race by reading with them every night and signing their reading record.

Please use Times Tables Rockstars to practise tables. It's essential children have all of them memorised ASAP. We don't want this being a barrier in their maths lessons.

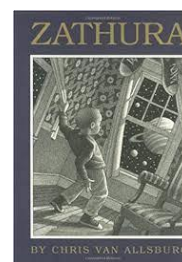

Regular arithmetic practise is important too, and easy to find - google 'year6 arithmetic' or check out 'my mini maths'.

Book Recommendations:

'Zathura'

by Chris Van Allsburg

Older brother Walter warns his pesky little brother Danny not to bring home the mysterious

board game they find at the park. But when Danny's curiosity gets the better of him, the brothers have to battle homicidal robots, alien pirates, and giant meteors in their living room! Will this dynamic duo learn to work together before its too late?
