

Date: week ending 8th October

Year Group: 6

English

We have begun a new book: 'The Boy at the Back of the Class..' An amusing, heart-warming story about how children see the world of refugees and politics.

Today, we used our i-Pads to present our prediction ideas, Some used i-movies, some did PowerPoints and some video presenting.

The children all have a copy of their books on their i-Pads, it would be great if they could share the book with you

Mental Health Awareness

All bright and sunny today, dressed in yellow for Mental Health Awareness Day. Due to PPA, Year 6 will look at the PowerPoint and complete some work around Mental Health on Tuesday. We look forward to hearing what our Wellbeing Ambassadors want to share with us.

Maths

We have had a fantastic week with multiplication. Children were all able to multiply using a formal method and most using 2-digit numbers!

Please keep up:

- TTRockStars learning multiplication and division facts - we missed out to Year 5 on the competition!
- Use the website Sumdog and complete Mr Scott's challenges, also a Harmony Trust competition this week!

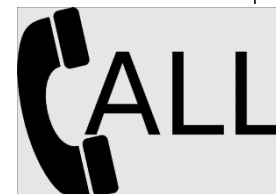

Next week we will be facing the challenge of division!

Next Week

PARENT CONSULTATIONS: We are looking forward to next week's Parent Consultations. Your child's teacher will be in touch shortly, if not already, to organise a time to chat to you. If there are issues which will take longer then we will arrange a call at a different time.
