

<p>W/b: 8.6.2020 Home Learning Year 5  Purple Mash</p>	<p><b><u>Maths, computing and topic tasks have been set as '2dos'</u></b></p> <p><b>Maths::</b> This week we thought we would remind you about your work on fractions. Have a look here <a href="https://www.bbc.co.uk/iplayer/episode/p08b5kr4/bitesize-911-year-olds-week-2-7-teacher-talks-fractions-percentages-and-decimals">https://www.bbc.co.uk/iplayer/episode/p08b5kr4/bitesize-911-year-olds-week-2-7-teacher-talks-fractions-percentages-and-decimals</a> as a refresher!</p> <p>Activity 1: Fraction, Decimal and Percentage quiz, find the equivalents.</p> <p>Activity 2: A pizza serving game. There are three levels, start with Rookie and see if you can work up to Pizza King where you are working with fraction and percentage equivalents</p> <p>Game: Multiplication, this is the new Year 4 assessment. See how you do, keep practising and then have another go. This will be repeated each week so you can see how well you are progressing!</p> <p><b>Computing:</b> This week we would like you to create a fact profile about Ada Lovelace. She was an important woman in the development of computers as we know them today. Make sure you read through the video presentation first then include as much detail as possible. You will need this information to complete your second activity which is to create your own quiz about Ada Lovelace. You can choose any style of question but there need to be at least 8. Instructions can be found by pressing this button.</p> <p><b>History:</b> We never had a chance to explore Anglo-Saxon Crime and Punishment due to lockdown so there is a presentation to read through first then you can complete the quiz and finally a factfile to create with the information from the presentation.</p> 
<p>Class dojo</p>	<p><b><u>Wellbeing Challenge</u></b> <a href="https://www.rspb.org.uk/get-involved/activities/give-nature-a-home-in-your-garden/garden-activities/build-a-bug-hotel/">https://www.rspb.org.uk/get-involved/activities/give-nature-a-home-in-your-garden/garden-activities/build-a-bug-hotel/</a> Using the RSPCA website, create a bug hotel in your garden, using items that you find around your home or garden. Then create a bug bingo card with some of the insects you are hoping to attract into your hotel. When you see them you can cross them off your card. How long do you think it will take to cross them all off?</p> <p><b><u>Creative Challenge</u></b> This week we would like you to make some music! Watch the video from Weapons of Sound <a href="https://www.youtube.com/watch?v=n8vvNCAK2NE">https://www.youtube.com/watch?v=n8vvNCAK2NE</a> who make music from recycled materials. Stomp <a href="https://www.youtube.com/watch?v=l0XdDKwFe3k">https://www.youtube.com/watch?v=l0XdDKwFe3k</a> who both make music from household objects and clapping. Or <a href="https://www.youtube.com/watch?v=lk75qDst8wE">https://www.youtube.com/watch?v=lk75qDst8wE</a>, who use tapping, slapping and clicking to recreate Grieg's "In the Hall of the Mountain King". Our challenge is for you to have fun making your own music – get the whole family involved!</p>
<p>Reading</p>	<p>This week we are going to give you 4 activities and we would like you to complete all 4 of them.</p> <ol style="list-style-type: none"> <li>1. Read and answer the questions on Ted and the Flying Fruit on Purple Mash</li> <li>2. Write a book review of Ted and the Flying Fruit include the following sub-headings:             <ul style="list-style-type: none"> <li>• The best part of the story</li> <li>• The main characters (describe them and their personalities)</li> <li>• The plot (story line)</li> <li>• Who would enjoy this book and why?</li> </ul> </li> <li>3. Use First News to choose a longer news article, then summarise its main points in no more than a paragraph. You could email this to your teacher on Purple Mash, or send via your Portfolio on Class Dojo. <a href="https://subscribe.firstnews.co.uk/the-newspaper/">https://subscribe.firstnews.co.uk/the-newspaper/</a></li> <li>4. Many of you read before going to sleep. This week we would like you to read aloud so you can work on your expression. You can read a book to your siblings or you can read your book aloud to an adult, you could even record it for your teacher if you wish!</li> </ol>
