Weekly Round Up

Hello again everyone, another week and another newsletter. We have had a good week learning, both at home and in school with some top-notch work completed and uploaded on Purple Mash or sent to us via Class Dojo. Just one more week to go now and then we can all have a well deserved rest over half term.

We particularly enjoyed 'Express Yourself Day' yesterday and it was great to see the children dressing up to show us what they are interested in or what they do to make themselves happy. There were quite a lot of superheroes about so we know the world is safe from any super-villains who might be lurking about!

I hope you have a chance to see the PowerPoint Mrs Patmore made showing off the teachers skills. We are a talented bunch! Piano playing, drumming, speaking Spanish and crafting amongst other things.

HAVE A GREAT WEEKEND.

Coming up...

We will be continuing to hold morning registrations every day at 8:45. Please try to log in if you can as this is a great way for your children to stay connected to school and their teacher. There will also be more story time at 2 o'clock weekdays (11 o'clock Wednesdays).

In shared reading, we will be studying Chinese new year, culminating on a special day of work on Friday. In English we will be continuing to write our explanation text on how bones and muscles work together in our arms. Maths will be about written methods of division mainly although we might get on to 'scaling' as well. Topic work will continue to focus on the human body and Ancient Greece plus work on the wider curriculum including PHSE, computing, RE, music and French etc

'Thoughtful Thursdays' is aimed to get the children off their electronic devices and doing some art or crafts instead. This week our art will tie in with Chinese new year. We are going to create a Chinese Monet Tree. HAPPY LEARNING!

Website of the Week:

DrawStuffRealEasy

Follow Shoo's New Videos and the Wednesday Drawing Show on [YouTube.com/ShooRaynerDrawing](https://www.youtube.com/ShooRaynerDrawing)

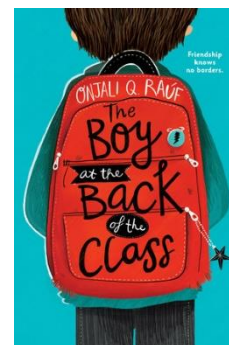

We have been using this YouTube channel over the past few weeks in school to draw various objects from Ancient Greece and it is brilliant. Even Mr Smith has completed some good art and he can't draw for toffee!

Have a look at the page and find your creative self – good for mental well-being following on from last week.

Hooked on books:

I am now just about half way through the story and Ahmet has become famous and very popular in the school after he had conquered Brendon-the-Bully. So famous that asking him Friday tells his story how he had war in Syria eventually This didn't to get he started

people won't stop questions. Then one afternoon, Ahmet to the class. About escaped from the with his family and come to England. stop Brendon trying revenge though and ruining Ahmet's work

- before he filled his rucksack with baked beans. Ahmet was really upset because he had brought this bag all the way from Syria with him.

Our narrator learns that her granny was a refugee too, from Nazi Germany and Ahmet, eventually, tells about how he is all alone in England, that his sister has drowned and that he doesn't know where his mum and dad are.

Non Negotiables:

Join your class on Teams for registration if you are not at school.

Remember to upload/hand in work on Purple Mash or send to portfolios on dojo.

'Everybody, every day' – Reading with your child every day.

Practise times tables including the division facts. Use Times Tables Rock Stars or any other method to practice. Your practice is paying off! Keep in contact with us using Class Dojo. Have a good weekend. Chris Smith
